STATUS REQUEST CONCERNING REVIVAL and REQUEST FOR ACTION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This is to request the status of the Revival of the above application. A petition to revive was filed, the Petitions Office (Sr. Attorney John Gillon, Esq.) denied the initial request and requested that applicants submit additional documents from those involved at the time of abandonment to further support that the "unintentional" requirement. These documents were submitted to Petitions Branch, two (2) declarations from those present at the time evidencing the non-intentional nature of the abandonment, along with new power of attorney. It has been nearly three months since the requested declarations were filed, applicants are eager to proceed with prosecution, and request prompt action in the application.

Respectfully submitted,
